Subject: Antrim Sanitarian Coverage - Time of Transfer program
Attachments: SanitarianCoverage.pdf

Hi all,

Don Uzarski, an EH sanitarian in the Antrim office, has resigned. In light of that, the attached map is the temporary coverage area for Antrim.

Jaimen Waha and myself will be covering Time of Transfers in Antrim County – with Jaimen covering Torch Lake Township, and I’ll have Elk Rapids (Village and Township), and Milton Township. My contact information is listed below, and Jaimen can be reached at j.waha@nwhealth.org or 231-547-7805.

As always, we highly encourage requesting the evaluation at the time of listing the home and planning on a 4 week turnaround time. We will try our best to continue to meet this, but we appreciate your patience during this transition.

Thanks,

CASEY CLEMENT, REHS
